Strings Meets Winds

Join us as the Magisterra Fellows take you on a musical journey through sounds both new and familiar. **Enjoy a concert** that highlights the sweet resonance of the strings, the bright tones of the flute, the noble melodies of the oboe, and the graceful elegance of the harpsichord.

Featuring works by Bach, Haydn, Handel, Leclair, Breval, and Britten, and performances by Yiping Zhang (flute), Tinson Lee (oboe), Yuying Chen (violin), Philip Corscadden (violin), Nic Lago (cello), and Theodore Chow (harpsichord).

Plus make a day of it! The Museum London Christmas Market will be happening at the same time. Enjoy music, art, and holiday cheer all in the same place!

What are MAGISTERRA SENSORY CONCERTS

These concerts are specifically designed to accommodate the needs of individuals with autism, learning disabilities, sensory or communication disorders, and other disabilities, as well as anyone who may benefit from a more relaxed concert setting.

Magisterra Sensory Concerts offer a welcoming concert environment where everyone can comfortably enjoy the musical experience. By providing this inclusive atmosphere, Magisterra hopes to demonstrate that the musical arts can be made accessible to all.

Our Sensory Concerts are wheelchair accessible and sensory-friendly to ensure everyone can enjoy the experience comfortably.

For accessibility questions or concerns, please email:
